Television, Bangladesh Radio and other private media gave sufficient coverage to the programme of the World Metrology Day, 2017.

BSTI reproduced the posters of World Metrology Day, 2019 and were circulated in all over the Bangladesh. The theme of World Metrology Day was highlighted through the exhibition of many banners and festoons at important locations and intersections in the cities and towns of the country including the capital city, Dhaka.

Public Rally- A public rally was organized to demonstrate the importance of the day. The rally was led by the Director General of BSTI. Directors, other officers & staff of BSTI and common people attended the rally. Banners and Festoons marking the importance of the day were carried by the participants.

The special supplement that published on World Metrology Day-2019, Video Clips of Rally and some photographs are enclosed herewith for kind perusal of the Director of BIPM and Director OIML.
